9. User profile

User Profile

The diagram shows a mobile app interface for a 'User Profile'. It features a yellow header with the title 'User Profile' and a user icon. Below the header, there are three input fields for 'Name', 'Phone', and 'E-Mail'. Each field contains a placeholder value and an 'Edit' button. To the right of the form, three green boxes labeled 'Text Field' are connected to the input fields by arrows, indicating their data type. At the bottom of the form, there are two buttons: 'Cancel' (red) and 'Save' (blue).
